Presidents Report

Ian thanked everyone for coming to Annual General Meeting. We held 3 rodeos and one bull ride this season, hopefully more next season. IRC held an executive meeting to see if we would hold a Presentation Dinner this season and decided to go ahead with the event. The main reason for holding event was due to 2nd Division and Junior competitors that may have missed out on buckles or trophies due to moving out of their divisions in the coming season. Thank you to Tracey King and Sharyn for all their work in obtaining sponsorship for all the buckles presented at the dinner. Thank you all that attended the Presentation Dinner a very good night, a good social gathering for the IRC. I think the new format of BYO with cover charge worked very well. Thank you to Sharyn for all the hard work to make the room look great. Sharyn said thank you to Ian for helping set up Friday, moving tables and chairs etc. Thank you to Kim, Scotty and Family, Hugh and Chrissy for all their help on Saturday. Thank you to Amy for all her wonderful photos that she took at the rodeos and IRC used at the dinner. There was no feed back from non-drinkers regarding price of dinner. Free soft drink was available. Thanked Hugh and Gary for being great auctioneers at the Presentation Dinner raised over \$1800 for Cancer.

Minutes of Previous AGM Meeting were read

It was moved Gary King Seconded Jodi King– that Minutes of previous AGM be accepted **Passed**

Business Arising from AGM

Voting updated in IRC Rule Book

Tracey King – Letter regarding segregation in rodeo community – Tracey sent out a request for email addresses so information could be sent out. Very few people advised their email address, so Tracey decided not to go ahead with letter.

Nominated - Karen Fish, Jodi King, Durene West – Moved Tracey King seconded Scotty Allsop, all accepted.

IRC Women's Events Representative – Karen, Jodi and Durene

General Business: -

2022-2023 Season there will not be saddles this season due to low number of rodeos that will be held.

Open competitors to be given option of Jackets or buckles – buckles would be cheaper option

Gary King moved 2nd Karen Fish Jnr that we use Mollys Buckles this season, good quality for price.

Passed

How do we keep rodeo alive in Tasmania?

Island Rodeo Circuit in now in its 75th year

We need more support and people to help

Tracey to send letter to all members stating we need your help if we don't receive help rodeo in Tasmania will cease to exist – send via messenger.

No Facebook information about IRC struggling at present put up only positive information.

We need more rough stock and time event competitors.

More practice days needed.

Ian Brown and Jamie Crawford discussed the idea of getting other sporting clubs, eg football clubs involved. Try and have between 10 and 15 clubs that will have a competitor compete in a steer ride at several rodeo that are interested in holding this event. Have prize money sponsored. Clubs nominate competitor that will ride at each event, points will be based on time competitor stay on steer. Overall winner will win a trophy and the club will receive money for club. Several football clubs are interested.
